

TURNING 65 AND CONFUSED ABOUT YOUR MEDICARE OPTIONS?

Most people are eligible for full Medicare benefits when they turn 65. Even if you are still working or retired, signing up for Medicare benefits may be a better option than keeping your employer or retirement health plan. Failing to understand your Medicare options and how Medicare supplement plans work could potentially cost you thousands of dollars down the road. Medicare is filled with traps so it's well worth your time to dig into the details of the program and make sure you choose wisely based on your individual needs.

To discuss what steps you should take on Medicare and get your *FREE* copy of a report titled "You're Turning 65: A Must-Do Checklist", please return this card.
